ALL-COUNTY INFORMATION NOTICE I-108-79

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: COUNTY MONITORING SHEET, DFA 443

REFERENCE:

Attached is the County Monitoring Sheet, DFA 443. Although usage of this form is not mandatory, many counties feel that tracking their monthly activity is of benefit in helping them keep abreast of their allocation status. As stated in the FY 79/80 Cost Control Plan, total activity in NAFS will no longer be based on participating households, but rather, certified eligibles and applications disposed.

The DFA 296 will be the source document used for tracking both certified eligibles and applications disposed. Please follow the revised instructions on the reverse of the DFA 443.

If you have any questions concerning the usage of this sheet, or if any additional copies are needed, please contact your analyst at the County Administrative Expense Control Bureau, (916) 322-5802.

Sincerely,

A handwritten signature in cursive script that reads 'Claude E. Finn'.

CLAUDE E. FINN
Deputy Director
